MESSAGE FROM THE HEADTEACHER

Yet another half term has flown by and as always it has been jam-packed with lots of fun and exciting events such as Book week, Science Week, the Dance Festival, the London Youth Games, not to mention plenty of sporting events, and a non uniform day to raise money in support of those affected by the conflict in Ukraine. Thank you to everyone for your very generous donations towards the Disaster Relief Fund.

Sadly we are saying farewell to Marigold Class teacher, Miss Lim, who is moving onto pastures new. I would like to thank her for all her hard work over the last 4 years and wish her all the very best of luck as she enters an exciting new chapter of her life!

Let's hope that Summer finally arrives and the sun begins to shine throughout the Easter holidays. Have a happy and restful break over the next two weeks and I look forward to seeing you all on Tuesday 19th April.

Mrs Anna Theodosiou

Friends of Bush Hill Park Primary School welcome any parents who would like to get involved with ideas and volunteering. You can like their Facebook page by searching **Friends of Bush Hill Park Primary School** (FOBHPS)

Also, don't forget to follow the school's Twitter account: **@Bushhillschool** to keep up to date with all events at the school.

Unfortunately we are not able to hand out cakes or sweets or other treats for children's birthdays so we would kindly ask that parents and carers do not bring them into school. Thank you for your cooperation.

TUESDAY 19TH APRIL

The school photographer will be coming into school on **Tuesday 19th April** to take Class photos. Please make sure children come to school smartly dressed in full school uniform. If your child has PE on this day, on this one occasion please send your child to school wearing uniform.

Message from the Governors

It's been quite a busy half-term. We've had Maths Week, Science Week which included the opening of the new Science Lab and an attendance week which went well with Nursery achieving 100% attendance and Primrose and Amethyst achieving 99%. Well done! Good attendance is so important for making good progress. We've also seen our pupils taking part in Big Walk and Wheel Week and also working with Enfield Council helping to promote re-cycling in the borough. It is great to see our pupils doing all they can to help the environment. The girl's football team represented Enfield in the London Youth Games and pupils performed their dance "Old Skool" at Millfield Theatre. Well done to all the pupils for all that they've done this half term.

Governors have been busy too. This week, we spent all day in school from Breakfast Club through to the end of school. It was extremely useful for us to see what a school day looks like. We visited lessons and were able to talk to pupils, we had the opportunity to hear how staff go about their work and we heard about the curriculum plans and behaviour policy. The governors were pleased with all that they saw and heard and would all like to do this again in the future.

On another note, this is my last newsletter as Chair of Governors at Bush Hill Park School. After four enjoyable years, I'm stepping down and handing over to one of our experienced governors, Rachael Sitch. It has been a real privilege to be able to be part of Bush Hill Park School. Under Mrs Theodosiou's leadership the school is constantly looking for ways to improve what they do and I have seen many developments and improvements over the last 4 years. I know that that Rachael will do an excellent job and will be supported by the other governors. I wish her, the governors and the school all the absolute best in the coming years.

How to build a good online reputation

Tips to help kids create a good digital footprint

Teach them the difference between public and private information online

Review their privacy settings on the platforms they use to **make sure they stay in control** of who has access to what they share.

It's important to make the point that if it's online there is the potential that the world could see it so **'Thinking before posting' is key**.

Encourage them to keep it positive online

Actions online can have a real world consequences - **share real stories** to help them understand the power of being positive online.

Make sure they know how to report abuse

Together get familiar with the reporting and blocking settings available on the platforms they use to screen out any abuse that breaks a platform's community guidelines.

Empower them to be themselves online

Encourage children **not to hide behind anonymity** online and be tempted to say or do things they shouldn't. Use examples to highlight the power of being real online and developing their passions to create a positive digital footprint.

Encourage them to do a search on their name

Make sure they are aware of the information that future employers and teachers may see and take a call to remove anything that is unpleasant or incorrect.

Make them aware that they can recover from mistakes made online

Let them know that if they make a mistake by posting something they shouldn't **there is always a way to deal with it** and give them support to make smarter choices in the future.

Highlight the importance of choosing respect

Talk to them about **respecting other people's privacy and viewpoints** even if you don't agree with them.

internet matters.org

Be the example they can follow

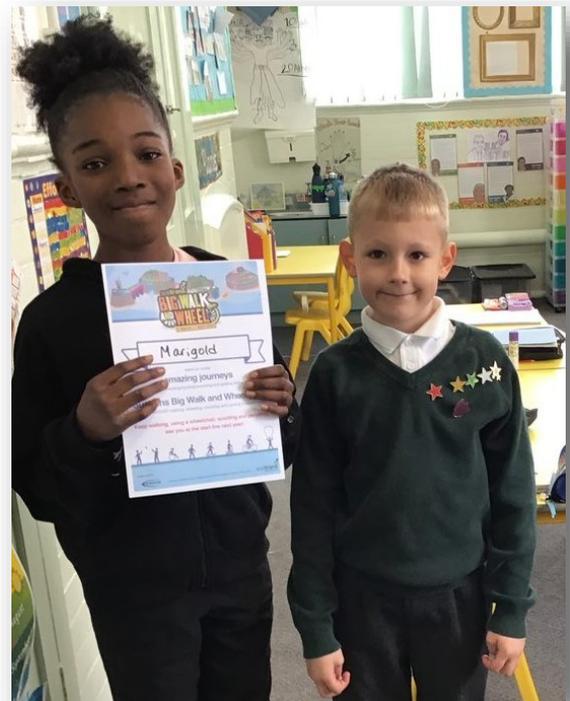

Let your child see how you interact online to **learn how to be kind and make safer choices online**.

Thank you to all who participated in The Big Walk and Wheel. Our school made 1469 active journeys across the week – 64% of all pupils travelled actively, rather than by car! We were 3rd of the Enfield Schools that participated, below Walker School and Capel Manor.

Thank you to all who walked, cycled, scooted or parked and strode – all of you helped save our environment. Our JTAs (Junior travel ambassadors) helped give the certificates to the classes. High scoring classes included Jade, Apricot, Primrose, Bronze, Indigo, and Emerald. Sapphire came first, then Amethyst with Platinum third. Well done all!

The girls football team have continued their successes in the local cluster league and secured another victory against Woodpecker 2-0. Well done to Danielle who scored both goals.

The boys football team have played four football matches as part of their local cluster. They won three matches and lost one. They are improving with every match and we have been super impressed with the team's resilience and teamwork. Well done boys!

The Year 3 & 4 girls football team proudly represented Enfield at the London Youth Games which took place in Redbridge. This was an amazing experience for the girls and they had such a great day finishing 13th overall out of 25 teams across the London Boroughs. Hugh achievement. Well done girls!

BHP performed their dance 'Old Skool' at the Enfield Dance Festival at the Millfield Theatre last week.

They were absolutely amazing and we are so proud of their achievements...what an outstanding performance!

BHP netball team have been busy playing a few netball matches this term.

They have improved so much as a team and this is now starting to show in the results. At the start of the term we played against Palmers Green Girls' School which we narrowly lost 2-1. But the Team's latest match against Brimsdown School was a resounding success as we won 7-1 .

Special well done to Maya who was nominated the player of the match.

Massive well done to the Year 3 & 4 Girls Football team who won the Enfield Girls Football Tournament. They played 8 games, won 7 therefore only losing 1 match. As a result we won the overall tournament and went on to represent Enfield at the London Youth Games.

Congratulations girls on a huge achievement! We are so proud of you all.
