21st October 2022

RETURN TO SCHOOL TUESDAY 1ST NOVEMBER

MESSAGE FROM THE HEADTEACHER

I am so proud of the way that you have all settled into your new year groups and the fantastic learning that has been taking place. It has been an incredibly busy half term that culminated in our whole school Black History Month Showcase. This was an amazing success and I would like to thank Ms Paula for organising such an important learning opportunity for our school. All of the staff who supported this project have been exceptional and have showcased true commitment; from the dancing led by Belen, to the inspirational art work that would not have been possible without the talents of our very own Miss Trampleasure. All of the staff and children immersed themselves into this month's activities and it has been an absolute pleasure walking around the school and seeing the enthusiasm and the work produced by all. It is so important that we use this month to celebrate black history specifically and all the important contributions of black men and women both now and in the past. It goes alongside our curriculum offer that ensures our diverse community is represented in all that we learn across the whole academic year.

A vast amount has occurred this half term that would not have been possible without the dedication of the staff here and our parent community. It fills me with warmth knowing that we have such a supportive network of individuals who work relentlessly to support the school and the pupils. The Macmillan Coffee Morning was a huge success and we managed to raise £384.06 for a very special cause. The Glow Discos were very well attended and the children and the staff had such a wonderful time dancing away! Thank you again to our amazing FoBHPS Team for arranging such a fun event. Our Year 5 classes visited the Houses of Parliament and extended their learning around the British Values of democracy and representation. Our sports teams represented the school so passionately in many fixtures across the borough and should feel proud of their efforts and their sportsmanship.

I am confident that the next half term will be just as fun-packed as we begin the countdown to the festive season! Wishing you all a very restful and enjoyable half-term and thank you for your continued support.

Anna Theodosiou

REMINDER that the school day begins.....

...with a soft start at **8.35am**

Registers will be taken at **8.45am**—if your child arrives after 8.45am they will be marked as late

ALL CHILDREN MUST BE IN SCHOOL IN TIME FOR REGISTRATION

The school day ends at 3.15pm

Office Hours

Our School Office hours are 8am to 1.30pm, and 2pm to 4pm – the office will be closed between 1.30pm – 2pm every day. If you need to collect or return a child for an appointment, please make sure this takes place outside of this time. Any calls will be diverted to an answerphone and will be responded to as soon as possible.

THIS IS MY MESSAGE TO YOU!

*Rise up this mornin'
Smile with the risin' sun
Three little birds
Pitch by my doorstep
Singin' sweet songs
Of melodies pure and true
Sayin', "This is my message to you-ou-ou:"*

PHONICS WORKSHOP

Reception and Year 1 Parents and Carers are invited to a Phonics Workshop
in the Annexe Hall on:

WEDNESDAY 9TH NOVEMBER at 8.45am- 9.00am

Please come along to learn strategies and sounds that will help support your child as they develop as readers. We will look at Set 2 and Set 3 sounds as part of our Read Write Inc. approach

The workshop will be followed with Parent Reading Cafés on the following days, where you can read with your child in their class.

Reception Parents—Thursday 10th November at 2.45pm

Year 1 Parents—Friday 11th November at 2.45pm

COFFEE MORNING

Invite to parents & carers.

On Monday 7th November from 9:00am, we will have branch officers here from the Enfield National Autistic Society.

There will be informal chats about support and advice that this service and other services can do to support you and your child.

Please come along to the school office anytime after 8:45am (when dropping off your child) where you can meet the team and enjoy a nice cuppa.

SEND Coffee Morning
here
at Bush Hill
Park Primary
School
on
07/11/22

If you would like more info then please speak with Mrs Neocleous our SENCO or Sophie Smart our Parent Support Advisor.

SECONDARY SCHOOL TRANSFER FOR YEAR 6 CHILDREN

The application process for secondary transfer closes on:

Monday 31st October 2022

Applications must be submitted by this date

Free October Half Term Activities - with Fusion

GARDENING PROJECT STARTING SOON!

Year 5 enjoyed a unique learning experience the other week with an exciting visit to the Houses of Parliament. Whilst there, they learnt about the work and role of parliament and were lucky enough to enter the House of Commons and watch MPs in action!

The girls netball team pulled out all the stops to make sure they came away with a win... and win they did! In fact they won all 3 games, scoring over 15 goals in all! Amazing result, well done girls!

Children from Year 6 joined banking experts from Barclays Code Playground and learned how to use a new digital resource to program robots in a virtual environment. Make way for our future coders! Many thanks to Barclays Bank for providing this exciting experience.

We're using Arbor's free Parent Portal and Arbor App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

The Sunnyville School of Magic
W10 5BN, London, GBR

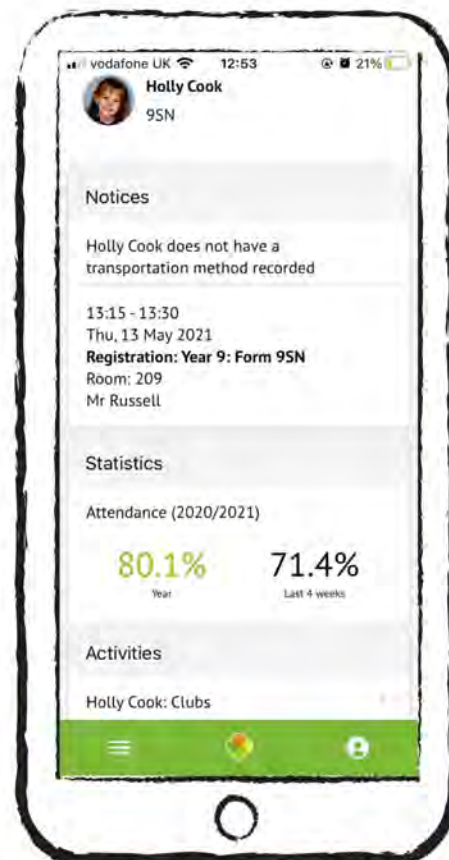

Enter your password

Log in

Forgotten password?

Some tips to try

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.

You may have seen in the media...

ALL SCHOOLS ARE FACING BUDGET CUTS

The school receives extra money for Free School Meal pupils so that we can buy extra resources.

**There is one way which
you can help us:**

All children in Reception, Year 1
and Year 2 are entitled to a
healthy cooked school lunch at
NO COST TO YOU!

1. Register your child for Free School Meals

You may be eligible to claim free school meals for your child if you claim the following benefits:

- Income Support
- Income based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Child Tax Credit (but not entitled to Working Tax Credit and whose annual income does not exceed £16,190)
- Support under part VI of the Immigration & Asylum Act 1999
- Universal Credit (provided you have an annual net earned income of no more than £7,400)
- Guarantee element of State Pension

least a week in
advance using Parent
Pay. The total cost
for the second half
of the Autumn term
is £81.18.

▶ APPLYING FOR A PLACE IN A NURSERY CLASS

September 2023

If your child is born between 1.9.19 and 31.8.20 you need to think about applying for a place in a nursery class for September 2023. The places in most schools are part time, either mornings or afternoons. Some schools also offer 30 hours placements, if you qualify for a 30 hr placement you can find out from schools directly if they offer this opportunity.

Please remember that admission to a nursery class will not guarantee a place in the reception class in September 2024.

The information booklet Applying for a Nursery Class in Enfield, Information for Parents is available online at www.enfield.gov.uk/admissions.

Apply online for a place at a nursery class at any of the following schools at www.eadmissions.org.uk.

Alma	De Bohun	Highfield	Starks Field
Bowes	Eastfield	Honilands	Suffolks
Brettenham	Eldon	Houndsfield	Tottenham
Brimsdawn	Fleecefield	Keys Meadow	West Grove
Bush Hill Park	Galliard	Lavender	Wilbury
Carterhatch	Garfield	Prince of Wales	Worcesters
Chase Side	Grange Park	Raglan	
Chesterfield	Hazelbury	Raynham	
Churchfield	Hazelwood	Southbury	

The closing date for online applications for nursery is **15 February 2023**.

If you make an ontime application on eadmissions by the 15 February 2023 you will receive the outcome during the evening of 26 April 2023.

Applying for a Nursery Class for September 2023

**Apply online at www.eadmissions.org.uk
www.enfield.gov.uk/admissions**

APPLYING FOR A PLACE IN A RECEPTION CLASS

Applying for a place in a reception class

If your child was born between 1.9.18 and 31.8.19 you need to think about applying for a place in reception class for September 2023.

The information booklet 'Applying for a Primary School in Enfield. Information for Parents' is available online for all families at www.enfield.gov.uk/admissions.

If your child has an Education Health and Care Plan (EHCP), SEN Services will contact you to explain the process you will need to follow as the arrangements for your child will be different. For more information contact SEN@enfield.gov.uk.

► Online Applications

Parents need to make an online application for a school place. You can apply online at www.eadmissions.org.uk. You can do this from 1 September 2022 through to 15 January 2023. You can make changes to your preferences throughout the application period but make sure you follow the instructions to resubmit any amendments made.

How the system works

- You can apply for up to 6 schools
- You make an application to the local authority in which you live
- You can apply for schools in Enfield or elsewhere
- A computer system is used to exchange information about Enfield residents applying for schools outside the borough. Other boroughs tell us about their residents applying for Enfield schools.

► How to Apply

- You will apply online at www.eadmissions.org.uk. We suggest you register your details as early as possible. You can submit your application once you have had the opportunity to learn more about the schools. The closing date is 15 January 2023.
- If you are applying for a school that requires you to complete a supplementary information form these must be returned to the school directly by the specified date. The Enfield schools that require a supplementary form are voluntary aided faith schools. Check the school website for information about the admissions criteria

► How offers will be made

- All the preferences (schools) listed will be considered by the relevant admissions authority.
- If the number of applications received for a school exceeds the number of available places, the oversubscription criteria (rules) will be used to decide which children are eligible to be offered a place.
- If your child could be offered a place at more than one school, we will look to see which school you have listed as your higher preference and this place will be offered.

- If a school has more applications than places, the published admission criteria is used to decide who should be offered a place.
- No child is offered more than one school place.
- You will get the results of your application during the evening of 17 April 2023.

► Choosing a school

- Please do some research, look at school's website, Ofsted reports and read the school prospectus.
- Consider how you will get your child to school.
- Don't listen to gossip, what's right for other children may not be the same for your child.
- Think about how realistic your choice is, most schools get more applications than they have places available.

- All lower preferences are then withdrawn.
- Your child will still be considered for any schools that you listed as a higher preference.
- All online applicants will receive an email during the evening of 17 April 2023.
- Most parents will be offered a place at a school they are happy with. However, this is not always the case and some families are disappointed with the outcome of their application. If this is the case, further information will be sent to you in April.

It is important that you understand the way in which places are allocated. If you have any queries, please either:

- Talk to your child's nursery;
- Read the Primary information booklet which will be available on the Council's website.
- Contact the Admission Service in Enfield – email esas@enfield.gov.uk

SEND SENSORY FOOTBALL SESSIONS

S4K

WWW.SPORT4KIDS.BIZ

Sport4Kids has been working with parents, their partner schools and SEND Departments to put together SEND friendly weekend sporting activities.

We are delighted to welcome you to our club and this letter will give you some important information to get the best from your sessions with S4K.

WHAT TO EXPECT?

We only expect your child to participate 30% in their first session, it takes 3 to 6 weeks for a child to fully settle and get into the swing of the lesson plans with the coaches. So don't worry if they struggle with attention or get a little shy – our coaches will help them through the lesson and look after them.

WHO IS COACHING MY CHILD?

Our experienced S4K coaches are overseen by Alison, who has been a teacher for 20 years, as well as having 17 years' experience working in a specialist respite centre for children with severe, multiple and profound SEND. The coaches are also trained by Jeddiah, who has 16 years' experience teaching primary aged children, along with being a deputy head teacher with experience working in a mainstream school helping children with varying needs.

WHAT WILL MY CHILD LEARN?

The lesson plans are based upon a monthly theme with a main skill of the month to be practiced at home. Each week the coach teaches progressions for each skill which you will mirror at home with your child.

Sessions run every Saturday at Bush Hill Park Primary School.
Book a FREE TASTER here:

TIME: 12.30PM–1.15PM
KICKERS AGE 3–4.5

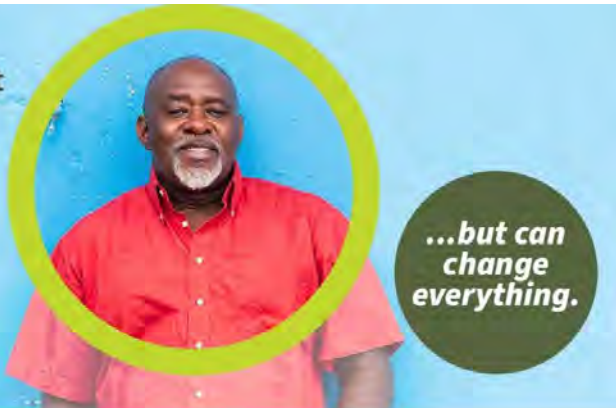

TIME: 1.20PM–2.05PM
STRIKERS AGE 4.5–6

TIME: 2.10PM–3.10PM
ACADEMY AGE 6–9

Advice in Community settings partnership

Many Londoners are experiencing challenges through the cost-of-living crisis. Funded by the GLA, a London based Advice partnership of Fair Money Advice and Money A&E to deliver trusted accessible, inclusive, and non-judgemental advice, supported through a partnership which boasts bi-lingual, culturally aware advisors.

MAYOR OF LONDON

We accept referrals from across London

Our service: We deliver targeted social welfare support, debt and money services to help vulnerable Londoners.

What we can support with: Specialist debt advice, welfare benefits, income maximisation, budgeting, money and financial education, housing and much more.

How to refer into the service: Complete the referral form and email to info@fairmoneyadvice.org or clients can self-refer by contacting us directly on ☎ 0203 475 8811

Once received, Fair Money Advice conducts an assessment and depending on the needs - the client is supported in-house, referred to Money A&E or are referred to an external agency for further support needs.

MAYOR OF LONDON

Transport for London STARS

The STARS project encourages active, healthy, safe and sustainable travel. We aim to reduce the number of car journeys to our school to improve congestion, pollution and to make the roads safer for our children. Walking, scooting or cycling for all or part of the way to school is a great way to fit in exercise for children at the start of the day. It also helps them arrive at school awake, alert and ready to learn. For more information visit www.stars.tfl.gov.uk

The green cross code

1. Find a safe place to cross then stop
2. Stand on the pavement not the kerb
3. Look all around for traffic and listen
4. If traffic is coming, let it pass, look all round again
5. When there is no traffic walk carefully across the road

If we all try to make more trips by walking and cycling, we can reduce traffic on our streets, improve the air quality and our health and wellbeing.

Use our Walking, Cycling, Wheeling map to help plan your active travel route to school, discover new, quieter streets, and perhaps meet a friend on the way.

If you need to drive, park 10 minutes away from the school. Walking the rest of the way will help achieve your daily active mile, reduce the number of cars outside the school and help keep children safe.

Did you know?

- 69% of Enfield's pupils live within 1 mile of their school!
- It only takes 20 minutes to walk 1 mile, or 6 minutes to cycle!
- You are exposed to cleaner air when walking and cycling compared to when riding in a car!

If you need help with learning to ride, contact healthystreets@enfield.gov.uk for advice.

Why Active Travel?

Actively travelling to school is more fun than riding in a car, it helps you reach your daily exercise goal of 60 minutes and helps you concentrate better at school. Walking, scooting or cycling your journey also improves your road safety awareness, and helps you become confident to travel independently.

Walking is simple, free and a great way to exercise.

Cycling & Scooting are fun and help improve your co-ordination, motor skills and balance.

Public Transport is better for the environment than using a car. Fewer cars equals better air quality. You can also combine it with active travel by getting off a stop earlier and walking the rest of your journey.

Walking, Cycling, Wheeling

Getting to

Bush Hill Park Primary School

Thank you to all parents who support active transport to school. On World No Car Day, an amazing 77% of you travelled by foot, cycle or scooter. This is fantastic! Our next event will be Road Safety Week (14th - 20th November). Your child can enter the 'Road Safety Comic Strip Competition'. Check their book bag for an entry form.

The Incredible Years Parenting Programme 5-11 years

Develop a positive parenting tool kit

- ▶ Support your child to manage their feelings, and deal with difficulties
- ▶ Better awareness to manage your own emotional responses
- ▶ Help your child to listen to and cooperate with instructions
- ▶ Foster a more secure relationship and strengthen trust
- ▶ Build your child's self esteem
- ▶ Experience more joyful parenting

At Bush Hill Park Primary School we teach our children all about Online Safety and the risk they might face. Our focus is on creating resilient learners who use digital tools safely and responsibly. To support your child at home you might like to access our range of FREE digital resources.

CEOP Education 4-7s Website

A guide for parents and carers

www.thinkuknow.co.uk/4_7

The 4-7s website from CEOP Education supports you to equip your child with the knowledge, skills and confidence to stay safer online.

About the 4-7s website

The new 4-7s website is designed around the three-episode Jessie & Friends animated series. Jessie & Friends follows the adventures of Jessie, Tia and Mo as they begin to navigate the online world.

The website provides the building blocks of understanding and resilience to help protect children from dangers they might encounter while watching videos, sharing pictures, playing games and chatting online.

It's never too early to talk to your child about what they do online and who to tell if they come across anything online that makes them feel worried, scared or sad.

The website is divided into age sections for 4-5 and 6-7 year olds and features educational, online safety badge games. The badge games replicate various online situations to help children recognise when something isn't right and reinforce the key message that they should **Tell A Grown Up (TAG)** when something happens online that makes them feel worried, scared or sad.

The website is intended to be used by 4-7 year olds alongside their parents and carers. By helping your child to understand and identify what the dangers are online, you help to prevent potential harms.

How to use the website with children

4-7 year olds should always be supervised by an appropriate adult while they are using a device or playing online. The 4-7s website is designed to help you and your child learn and explore online safety topics together.

Tips for getting started

- 1 Introduce Jessie, Tia and Mo and pick a badge to play.
- 2 Play the badge(s) - answer questions to help Jessie, Tia and Mo know when to tell an adult they trust about something that has happened online.
- 3 Collect 3 stars to complete the badge. Download the certificate to keep or print and colour in, and choose which badge to play next!

The Badges

Watching Videos (4-5 and 6-7 year olds)

The **Watching Videos** badge asks players to identify whether Jessie is feeling 'Ok' while watching videos on her tablet or whether to **TAG**. This helps your child to know when to tell a grown up about something they have watched online that has made them feel worried, scared or sad.

Conversation starter: Ask your child what things might show how Jessie is feeling (for example, crying or laughing).

What next? Watch Jessie & Friends Episode 1 - Watching Videos.

Sharing Pictures (6-7 year olds)

The **Sharing Pictures** badge asks players to decide whether Tia should **TAG** or 'reply' to the pictures she has been sent online. This is to help your child recognise when they should tell a trusted adult about something that has been shared with them that worried, scared or upset them.

Conversation starter: Ask your child how each of the pictures make them feel and why some pictures would be ok to reply to but others are not (for example, explain that sharing pictures of someone without their permission is not ok).

What next? Watch Jessie & Friends Episode 2 - Sharing Pictures.

Online Gaming (6-7 year olds)

The **Online Gaming** badge asks players to decide which messages the characters should reply to in an adventure game. This helps your child understand when is appropriate to respond to other users in an online game and when they should **TAG**.

Conversation starter: Talk about how people can pretend to be friendly online to trick young people into doing something (for example, saying they will help you win the game if you give them your password).

What next? Watch Jessie & Friends Episode 3 - Playing Games.

Chatting Online (6-7 year olds)

The **Chatting Online** badge asks players to choose which of the online messages that Mo has received he should **TAG** about. This is to help your child identify potentially inappropriate messages online and when they should tell a trusted adult about what they have received.

Conversation starter: Discuss why your child thinks some messages should not be replied to (for example asking for personal information or to keep secrets).

What next? Download the Jessie & Friends Storybooks to keep the conversation going.

For more information and guidance visit our Parents & Carers website:
