Dear Parents and Carers

New Kitchen Project to begin at Bush Hill Park Primary School in October 2022

We are really happy to announce that we will be undergoing major construction work to have a brand-new kitchen installed to replace the temporary kitchen we have had in place for the best part of the last decade.

With the local authority's help, we hope this is a big step towards Enfield Catering being able to provide an improved menu which pupils and parents will approve of and be proud of.

The existing kitchen space is being stripped down to prepare it for demolition, which is due to start in the October half-term holiday. Whilst our kitchen space is decommissioned, school meals will be prepared by our current chef and team, from the premises of a neighbouring school and transported in to school each day. School dinners will be served as usual in the Ashton Hall for Year 2 to Year 6, and from the Annexe Hall for our Nursery, Reception and Year 1 pupils.

Whilst we await the delivery of equipment to keep the meals hot during transportation and service, Enfield Catering will provide nutritious food-hall-style meals. The menu below is an example of the type of freshly prepared meals which will be complimented with a salad bar and fresh bread:

Monday – Pasta Bake

Tuesday - Sandwiches

Wednesday - Wraps

Thursday – Sweet & Sour Chicken and Rice

Friday – Sandwiches & Sausage rolls

We will continue to update you when the mobile hot cupboards are delivered and we can return to hot meals.

Thank you for your patience and cooperation during this time as we continue to make improvements to our school premises and provision.

Yours faithfully
