

Be the best you can be!

28th September 2023

Dear Parents and Carers

Cooking money reminder

The children have settled in well to their new classrooms. We are pleased to see they are enjoying the wide range of activities available to them to support their play and learning. We wish to continue to expand the children's experiences and one way we can do this is through cooking.

Cooking helps children's personal, social and emotional development by providing opportunities for exploration and developing skills. It supports children's language development and understanding of the world as they can explore smells, textures and tastes.

To be able to provide this experience for the children, each year we kindly ask parents to contribute cooking money. We ask for a voluntary contribution of **£5 per term**, alternatively some families prefer to pay **£15 for the year**.

If you can support, please send in your contribution in a named envelope to your child's class teacher.

We thank you in advance for all your ongoing support.

Kind regards

The EYFS Team
