Dear Parents and Carers of Year 6 children

It has been brought to our attention that children are being unkind via social media, whilst using Snapchat and Whatsapp.

Can I please remind you that it is the parent's responsibility to monitor the use of personal devices and social media activities that their child/children are involved in.

When incidents occur via social media outside of school, unfortunately it does affect the learning when the issues that arise online are brought into the classroom.

We are holding an Online Safety Parent Info workshop on Friday 25<sup>th</sup> November at 8.35am and I strongly recommend that you attend this so that you become better informed on security features and restrictions that may be applicable to your child/children.

Yours faithfully

Mrs Anna Theodosiou
