## THANK YOU PARENTS AND CARERS FOR YOUR SUPPORT DURING REMOTE LEARNING

We would like to express our sincerest appreciation for your incredible patience and flexibility during this difficult period.

We understand the enormous responsibility and challenges that remote learning has placed on all our families and you and your children have had to show real resilience and adapt to learning in a very new and different way. You have had to create time, space, routine and support for learning at home and you have all done a phenomenal job, we are so very proud of you all!

It's been absolutely fantastic to see that the vast majority of our pupils are participating in the home-learning and are submitting some fantastic work. Keep on being the best that you can be!!

We are enjoying reading your work and going through all the videos and photos that you are uploading. Keep up the good work! You can keep up to date with our Remote Learning Journey on the school website.

**Learning  
together  
even when  
we're apart**

Please don't forget to complete the parent survey, regarding Remote Learning, by the end of Friday 22nd January

## To Pupils and Parents/Carers

This is just a short note to say a huge “Well Done!” and an equally big “Thank you!” to all the pupils, parents/carers and adults who have helped the pupils in these last two weeks. Last week the Governors had a meeting and were thrilled to hear about all the ways the staff of the school have worked to make sure that you can all continue learning even though you are not in school. But we were also delighted to hear how hard the pupils have been working; attendance to online lessons has been almost as high as when you were in school and the way you have completed the tasks set has been amazing, and that’s really important! It doesn’t matter what your teachers do, it will only work if you play your part. And you have!

We know it's not always easy doing home learning. So well done to all the adults that have been helping the pupils with their learning. We all know what an important part you are playing at the moment.

It’s great to see what the Bush Hill Park School community has achieved by working together in these difficult times.

**Well done! Thank you! Keep it up!**

And, above all, Stay Safe!

**Roger Kingsnorth** (on behalf of the Governors, Bush Hill Park Primary School)

## **RAPID TESTING SITES**

Enfield now has multiple walk-in test centres for rapid testing, for individuals who do not have Coronavirus symptoms. **If you have Coronavirus symptoms, it is important you do not attend a rapid testing site.**

The borough-wide rapid testing, also known as ‘lateral flow testing’, will offer on-the-spot testing without the need to book an appointment. You will receive your results on the same day.

### **Location of the rapid test sites (Opening times are 9am to 6pm)**

The rapid/lateral flow testing sites are situated at:

- ♦ **Brigadier Hall, Cedar Road, Enfield, EN2 0NL**
- ♦ **Green Towers Community Centre, Plevna Road, Edmonton, N9 0TE**
- ♦ **John Wilkes House, 79 High Street, Ponders End, EN3 4EN**
- ♦ **Kempe Hall, Kempe Road, EN1 4QS**
- ♦ **Klinger Hall, Copperfield Mews, N18 1PF (access from Silver Street)**
- ♦ **Southgate Library, High Street, Southgate, N14 6BP**

Anyone who tests positive for Coronavirus will be referred for a follow-up test to confirm the result. You can read more about the rapid test sites on the Enfield Council website.
