

Be the best you can be!

2 November 2020

Dear Parents and Carers

Working together to keep our school community safe

Welcome back to all our families. I hope that you have all had a safe half-term holiday.

Following recent government announcements outlining additional measures planned to reduce the rate of infection across England, I want to encourage you to be vigilant and careful around the school site.

Please do your part to show how much you care

Please do not attempt to come to the School Office. For all enquiries, please call the School Office on 020 366 0521 or email admin@bushhillpark.enfield.sch.uk

Please be on time for drop-offs in the morning and collections in the afternoon, always wear a face covering and keep a 2-metre distance between yourself and other members of the school community.

Be considerate of others as you would your own family, and do not do anything to endanger or make others feel uncomfortable, including standing close to others, smoking or using electronic cigarettes whilst queuing.

Thank you to all our school family who respectfully wait patiently in line. All our children are extremely grateful and appreciate the calm atmosphere you help to create at the start of their day and when going home. Your cooperation and care is a brilliant example of the way we take care of each other and demonstrates respect and responsibility to all pupils.

Find out the coronavirus restrictions in our local area
