

LETTINGS & FILMING POLICY

Member of staff responsible: Lorraine Shaw

Adopted by Governors on: 14 May 2025

Next Review Date: May 2026

Review Cycle: Annually

INTRODUCTION

The Governing Body of Bush Hill Park Primary School believes that its premises are a valuable community resource and welcomes the opportunity to maximise the potential of the building and grounds for the benefit of the local community.

Its facilities will therefore be made available to local groups when this does not conflict with either the interests of its pupils, its aims and vision, the work of its staff or the service provision for families and young children.

The use of our school premises is at all times under the control of the Governing Body and the Headteacher of the school.

DEFINITION OF A LETTING

A letting is defined as the hire and use of school premises during school hours, evenings, weekends, and school holidays by parties other than the school or its partners.

The term 'lettings' or 'lets' includes use by private parties, organisations for meetings, training providers, any private events, and sports clubs, etc.

The term 'lettings' or 'lets' also includes use of any part of the school site for filming, stills shoots, documentaries, docudramas, for display for TV in all possible forms (adverts, film, short-films, cinema), Magazines and other paper formats, social media in all its forms, etc.

The following activities fall within the corporate life of the school. These activities are not considered to be lettings and costs arising from these uses are therefore a legitimate charge against the school's delegated budget:

- Governing body meetings.
- Extracurricular activities for pupils organised by the school.
- School performances.
- Parents' meetings.
- Meetings of Friends of Bush Hill Park (PTA).
- Meetings held by Enfield Town School Partnership (Townies) events, meetings or training.

LETTING & FILMING POLICY AIMS

All lettings must fit in with the values of our school and this policy aims to ensure:

- The school premises and facilities are effectively coordinated and managed.
- Use of the school premises are promoted to the wider community, local groups and businesses.
- The school becomes a community hub for local charities, faith groups and organisations which promote and encourage the health and wellbeing of families in the local area.
- It provides a clear statement of charges and areas available for hire including the school halls, Annexe Kitchen, classrooms, playing field, Training Room, Media Room, playgrounds, and the Studio.
- Priority is given to providing a range of activities for children and young people outside of school hours.

PRIORITY FOR LETTINGS

The Governing Body is mindful of the needs in the local area and will as much as possible give priority to:

- Approved community providers of services for children, young people and local families in need.
- Educational and recreational activities open to school pupils and their families.
- Activities organised by local community groups for the benefit of the local community.
- People living and operating a business in the local community.
- Voluntary organisations.
- Women's groups, and in particular, those providing safety, exercise and health services.
- Groups providing services for those with a disability.
- Low-income groups.

CHARGES AND VAT

The Governing Body and Headteacher are responsible for agreeing charges (see Appendix 3) for any school premises lettings.

For the purpose of charging, the Headteacher is empowered to determine which group any particular individual or organisation belongs to, and is able to offer any discounts or agree a subsidy for any lettings, as deemed appropriate, based on the purpose of the letting.

The minimum hire period will be one hour and value added tax will be added to transactions where this is legally appropriate.

Charges made will include and consider examples of the following:

- Costs for Site Management, including cleaning, security and safety checks, opening and locking up duties.
- Commercial rates for organisations at cost plus an income margin.
- Reasonable rates for groups and organisations which offer community activities or services, at cost plus a small margin as deemed appropriate.

ADMINISTRATION OF VENUE HIRE

The Governing Body has delegated responsibility for lettings to the Headteacher in accordance with this policy. Where appropriate, the Headteacher may delegate all or part of this responsibility, including security, bookings, invoicing and health and safety issues to the School Business Manager, whilst still retaining overall responsibility for the lettings process. This also includes where an agent or third party is used to administer and arrange lets and hires, with the school maintaining overall decision-making power over who and when a let can take place, and the agent adhering to the aims of this policy.

If the Headteacher has any concern about whether a particular request for a letting is appropriate or not, she will consult with the Chair of the Governors.

The School Business Manager should ensure that the terms and conditions of hire (see Appendix 1) for lettings is fulfilled.

HIRE OF KITCHEN FACILITIES

A hire application which includes the use of the kitchen in the annexe for food storage, production, assembly or service should be discussed in detail with the school prior to the letting being approved, to determine specific details of the areas and equipment the hirer is permitted and not permitted to use.

All areas of the kitchen should be cleaned and left tidy after use; however, it is up to the school's discretion to request that their staff conduct another clean prior to commencing with normal food handling activities or hire, at an additional cost to the hirer.

LETTINGS APPLICATION CONSIDERATIONS

The Headteacher, on behalf of the Governing Body, has the right to refuse an application, and no booking can be confirmed or deemed confirmed until explicit approval has been given in writing by the School Business Manager, a hire agreement signed, the correct insurance and safeguarding documentation presented by the hirer and the required payment received.

The school reserves the right to take up appropriate references concerning hirers prior to approving a hire agreement.

Applications will be decided with consideration to the:

- Priorities for lettings agreed by Governors.
- Suitability of the hire.
- Availability of facilities and staffing.
- School's equal opportunities, health and safety and child protection and safeguarding policies.
- Health and safety considerations, including the number of users, type of activity and qualifications of instructors, as relevant.

Applications which the Governing Body do not believe adhere to the school's Prevent, Safeguarding or Equal Opportunities policies or believe to be at odds with the school's ethos, will not be considered, at their discretion. The school does not have to provide a reason for applications which have been declined.

The Headteacher and the Chair of Governors have the power to terminate any hire agreement relating to the hire of the school premises.

Any complaints will be dealt with in the first instance by the School Business Manager and if no resolution is forthcoming, referred to the Headteacher and/or Chair of Governors as appropriate for consideration and attention.

HEALTH AND SAFETY

It is the responsibility of the hirer to ensure the safety of all those making use of the building and the safety of members of the public who may have cause to come onto the premises. The hirer or their representative on site will be responsible for compliance with the Health and Safety Act and the school's Health and Safety Policy in force at the time of the hire.

It is the responsibility of the hirer to make their own first aid arrangements, such as the provision of a first aid kit, and the provision of first aid training for supervising staff.

All participants engaged in the organisation's activities must be aware of the procedure for vacating the premises in the case of an emergency such as a fire and the nearest assembly point. Any arrangements (e.g., alarms, maximum numbers) arising from the assessment should be communicated to all users of the premises as appropriate. There must be clear procedure for the hirer to summon emergency services when required with access to either an open telephone landline or fully charged mobile phone.

A register of all those attending the activities, for which the hirer is responsible, should be kept particularly in the case of an emergency. The hirer must understand the school's evacuation procedures

in the event of an emergency and be aware of fire exits and the assembly point.

The Resources Committee will review this policy and charges annually.

The hirer shall pay to the school the cost of repair or replacement resulting from any loss or damage arising from the hiring, however caused or of whatever nature to the school premises and all the equipment or property thereon. Hirers shall ensure they have a policy of insurance to cover such liability up to at least £5,000,000 and shall produce the policy to the School Business Manager and governors on demand.
- 7.4. No preparations are to be applied to the floor and if damage to the floor takes place during the period of hire, the full cost of the repair or replacement of the flooring (carpeting, matting, laminate, vinyl, etc) must be provided in full.

8. Licenses and copyright

- 8.1. No intoxicating liquor will be brought on to or consumed on the premises except as a function organised by a body or bodies which the school shall have approved. Where a licence for the sale of intoxicating liquor is necessary for a function the responsibility for obtaining such a licence is solely the hirer.
- 8.2. In the case of lettings for music, singing, dancing or stage plays, the entertainment must be for a closed organisation such as a society or club or by invitation only.
- 8.3. All other entertainments are classified as public entertainments, in which case there exists a statutory requirement that the school must be properly licensed. However, most school premises do not conform to the regulations governing the issue of licences for public entertainments so that they cannot normally be used for this purpose. Any proposals to use a school for public entertainment must be discussed carefully with the school.
- 8.4. There must be no infringement of copyright and in the case of musical entertainment the requirements of the Performing Right Society must be fulfilled.
- 8.5. Before approving any letting for the exhibition of pictures involving the use of films or television, enquiries should be made to the appropriate organisation as to whether the exhibition is exempted from, or requires, a license under the provision of the Cinemas Act 1985 or any statutory modifications thereof.
