

Behaviour for Learning Policy Addendum

Returning to school, June 2020 (COVID-19)

This addendum to the Bush Hill Park Primary School Behaviour for Learning Policy is applicable to all who attend school from June 2020 onwards. It is subject to change in light of continued government directives. It is to be read alongside the existing Behaviour for Learning Policy and Anti-bullying Policy.

We recognise that it has been a difficult time for the entire community of Bush Hill Park Primary school, and whilst we will adapt the curriculum to meet the transitional needs of all children and ensure that the mental health and wellbeing of all children is at the forefront of all we do over the coming months. There will be a zero tolerance approach to behaviour that contradicts social distancing measures or that endangers another child or member of staff.

Expectations of parents/Carers

- ONLY 1 Parent/Carer to enter school site to bring child(ren) to school
- Pre-school children to stay with Parent/Carer at all times (e.g. buggy, holding hands, reigns)
- Ensure social distance from other adults whilst waiting for doors to open – as per government guidance (please do not arrive too early to avoid congregation)
- Parents/Carers not to enter school building
- Collect your child As Soon As Possible (ASAP) if called regarding illness/symptoms
- Stick to allocated drop off/pick up times
- Parents/Carers to collect child if not adhering to NO TOUCHING rules (reminders given prior to this)

Expectations of children

- All existing behaviour rules/rewards/consequences apply
- Children should stay at a social distance as much as possible (adults in school to remind children when necessary)
- Children should not play any games that include direct contact with others (e.g. tag, stuck in the mud)
- Children not sticking to the NO TOUCHING rules will be reminded and parents informed to support with reinforcement
- Children to line up at a social distance in school when asked
- Children to enter the building separately and patiently
- Children to wash hands/sanitise when entering the building and at regular intervals

throughout the day and when instructed to by any member of staff

- Any coughing/spitting on another pupil will result in being sent home with immediate effect
- Children to follow any signs and special routes in place (e.g. one way system)
- Only use your own water bottle
- Avoid touching your mouth, nose and eyes and follow the 'catch it, bin it, kill it' advice
